

"Everything here is very good!" - Mama K

Warren Township High School
SYMPHONIC BAND I
National Concert Band Festival 2014

To support the Warren Township High School Symphonic Band I in their honor of being selected as one of the finest concert bands in the United States of America, Mama K's will hold two fundraisers monthly to help offset trip costs. When this flyer is shown, a portion of the money paid for any dine-in or carry out order at Mama K's will go towards the student cost of the trip to the National Concert Band Festival. This is an honor only given to 15 bands in the nation through a competitive audition process, and

is a source of great pride for this community! The food at Mama K's is absolutely phenomenal. Every item is made to order with the freshest and highest quality ingredients available.
